William Roger Reaves
Prison number 10312-004
MDC Los Angeles

CR 82-0719-TJH

Dear Judge Hatter,

Back in 1977 you sentenced me
to three years custody plus twenty-
five years special parole for the
possession of 500-600 pounds of marijuana
in 1977 plus five years for tax evasion
and gave me probation on that.

I served two years on the original
term, was released on parole. After one
year I absconded. The U.S.P.C.
sentenced me to 11 years and you
sentenced me to 4 years on the probation.
After serving 11 years I was extradited
to Germany where I served a further
6 months and was paroled.

Special Parole cannot run with any
other parole furnished by law. Statute.

While on German parole I was convicted of a cocaine charge in Australia and sentenced to life. After serving 18 years I was paroled and returned to Los Angeles. At the airport I was arrested for parole violation. That was on the 27th of July. I was placed in the hell of SHU and for the past 114 days I have not heard a word from the parole commission or anyone else.

The parole commission has 90 days in order to give me a hearing or to turn him loose.

Being that I am unable to present this formally please accept this as an extraordinary writ requesting my immediate release.

I am 76 years old, I have dementia and I have been in prison for over 32 years since you sentenced me.

I often remember you fondly and thank you for your kindness back in 1982.

Sincerely yours
Roger Ruelas
